

PRINT ME ON

A3

INSTRUCTIONS

You'll need: Colour A3 Printer, Glue and String / Ribbon

1. Print out multiple copies of this on A3 and cut the bunting using the guides for a clean finish.
2. Fold each in the centre and position along the string / ribbon, spacing triangles a part a few centimetres.
3. Glue sides together to secure.
4. Hang up and admire your amazing work!

TIP: When creating long strings, make sure you use all colours and repeat the pattern evenly!
